Dr. Hans J. Frey specializes in providing tax advice to companies, family offices, and their owners.

He deals in particular with the structuring and planning of corporate succession, investment management structures, relocations, and restructuring. Thanks to his many years of experience working for the tax authorities, Hans J. Frey represents various companies in proceedings before the tax authorities and tax courts.

Hans J. Frey is also active on various boards of directors. He has published numerous articles on tax law and is co-editor and co-author of a leading commentary (Kommentar zum Schweizerischen Steuerrecht) in the field of tax law.

Dr. Hans J. Frey teaches tax law at SIST and MKS.
